

Dear potential Worship Leader,

Thank you for your interest in leading worship at Learn and Serve (L&S) this summer. Every summer, youth converge on SIFAT's 176-acre campus to explore other cultures and discover what living a Christian life means. Worship plays a huge role in the process of inviting these students and leaders into a life of service to the world. This in itself is a form of worship! L&S is very challenging for our participants, so we have found that creating opportunities and investing in meaningful worship affords our participants (and staff) the opportunity to rest or get energized in many different areas on our campus.

Drawing from SIFAT's 30 years of international mission experience, L&S empowers the youth of America to be servants of humanity and examples of Christ's love to everyone. L&S is a program unlike any other. Our mission is to educate the youth of America about the world in which they live and about how Christ commanded us to live in this world... as servants! Each week, youth are equipped with knowledge and tools to change the world in whatever way God calls them.

That's where you come in! In response to the way that our formal worship at L&S has impacted previous participants, we are seeking a young person who feels called to facilitate worship in a summer camp setting! In addition to leading worship, the Worship Leader will also be asked to play a role in the design and evolution of our daily worship services and music selection. We can't wait to hear from you! Please contact us if you have any questions about the L&S experience.

In Christ,

Nate Paulk
Campus Director

About L&S:

L&S introduces youth to the world of missions. During their stay at SIFAT, they engage in local mission projects, participate in hands-on learning activities (building a water pump, making bricks and other appropriate technologies) and experience Third World living in our Global Village. This experience touches participants' lives as they realize how they have been blessed and what it takes to become a servant for God.

L&S is a very challenging camp! As a staff member, you will be stretched mentally, physically and spiritually. We are looking for staff members that are mature in their faith and are capable of committing themselves to an incredible, but challenging summer camp! If you have any questions about what a week of camp is like, a list of former staff members can be provided upon request.

The Worship Leader will be compensated \$175/week and is required to serve all weeks of summer camp including the week of counselor training.

About SIFAT:

Servants in Faith and Technology (SIFAT) is an international Christian nonprofit organization that merges faith and technology for the purpose of enabling the poor to develop holistically in Jesus Christ. Since its foundation in 1979, SIFAT has trained community leaders from 84 countries around the globe.

SIFAT's mission is directed toward two groups: 1) to train developing country leaders in practical self-help skills and community development principles to meet basic human needs in Christ's name; and 2) "Mid-pew" America, to raise awareness about missions and global issues and to provide opportunities to be involved personally in making a difference for Christ.
